### **This interactive workshop will provide a space for members of civil society (and others) to:**

- Share their strategies and experiences in achieving and monitoring the 2030 Agenda, and engaging in the VNR process
- Learn about promising tools and approaches for engaging in SDG monitoring and review at the national and international levels, including in the face of restrictions on civil society space
- Share lessons and strategies for enhancing the links between the SDGs and human rights, for example through civil society 'shadow reports', engaging with human rights mechanisms, or the use of online tools.

### **ALL WELCOME**

Workshop participants will include sustainable development and human rights practitioners from civil society, government and the United Nations.

**Please register online at the following link by Monday 9 July: <https://bit.ly/2MwGHep>**
